Gratitude Report

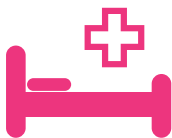

ST. JOSEPH'S HOSPITAL
FOUNDATION
AN INVESTMENT IN LIFE

OUR MISSION

Fundraising and supporting the developments of St. Joseph's Hospital services, expansion of facilities and purchasing new equipment.

WHAT WE SUPPORT

EQUIPMENT

Upgrading existing and purchasing new equipment to adapt to the growing needs of patients.

RECRUITMENT

Help bring new doctors to our community and ensure their long-term success in their practices.

FACILITY

We continue to upgrade rooms and better the facility to carry our hospital through the future.

Message from our Executive Director

Thanks to amazing donors like you, it's been a year like no other for St. Joseph's Hospital Foundation. Together, we continue to make great strides in helping our hospital offer the best care possible for Southeast Saskatchewan.

We are so grateful for the incredible support that we receive each and every year. St. Joseph's Hospital is a place that we all associate ourselves with in some way. Our generous donors play a huge part in allowing our community to receive the best medical care possible, right here at home.

This past year, we experienced a very different year due to the COVID-19 pandemic. Events went virtual, we were unable to be out in the community as much as we would have liked and we were unsure of how our year would go. The generosity and support that we received this year, through all of the obstacles, has been incredible. We are so grateful for the support that we received in so many creative ways and we are so lucky to be a part of such a giving and passionate community right here in Southeast Saskatchewan. With your support, we were able to support our hospital with large equipment purchases and expansion of services, which allowed upgrades in multiple departments at St. Joseph's Hospital. This is all thanks to you and just shows how strong our community truly is.

At the end of the day, St. Joseph's Hospital Foundation is a true example of community. It is all of us, coming together to support something that we all value and that's local healthcare.

We wanted to show you, our supporters, just how your contributions have been used to allow our hospital to continue to offer high quality healthcare for all of us so close to home. It is truly incredible how much we can do when we all come together.

Thank you for making this year so great for both us and our hospital!

Breanne Van De Woestyne

\$30,000

EQUIPMENT IN PHARMACY

6 AMAZING THINGS YOU MADE POSSIBLE!

1

You supported recovery and healing

Together, we supported the grand opening of the all new Addiction Recovery Centre in Estevan.

2

You supported families

Together, we purchased 9 iPads for patients and residents to communicate with their families.

3

You gave the gift of healing

Together, we funded new equipment for the operating room and endoscopy procedures.

4

You upgraded diagnostic services

Together, we purchased a new microscope, phlebotomy chairs and centrifuge in the lab.

5

You improved our Special Care Home

Together, we purchased new recliners, televisions, dining equipment & new flooring in Long Term Care.

6

You provided comfort for babies

Together, we purchased 6 new bassinets in our Maternity Department.

From us to you, THANK YOU!

EMS took Blaine to Emergency at St. Joseph's Hospital. With the staff being quick to react, they got him stable enough to be transferred to Regina by STARS. Having the service of STARS to be able to come to St. Joseph's is huge - it is a LIFESAVING service.

Without these crucial services and great staff I think our outcome would have been very different. These services are critical to the city of Estevan and surrounding areas."

- Deanna

"We are so fortunate to have our hospital here in Estevan to serve Southeast Saskatchewan. We have great doctors, nurses and staff.

To be able to have TeleHealth sessions right here at St. Joseph's Hospital has been very valuable to my own health condition. The hospital is also able to assist patients with other cancer treatments that help with the stress level of not having to drive to Regina.

It is truly a blessing to have such a great hospital as St. Joseph's to give such excellent care and service."

- Dennis
